

BOUTIQUE BEVERAGES BOTTLING
INTERNATIONAL LTD

COMPANY PROFILE

WHO WE ARE

Boutique Beverages Bottling Factory Int'l Ltd (BBBI) was established in Cyprus Limassol in July 2021.

BBBI is part of Kassatly Group in Lebanon that has existed since the seventies and is involved in the manufacturing of several kinds of beverages.

WHAT WE DO

BBBI will produce alcoholic and non-alcoholic carbonated drinks dedicated mainly for export.

THE FACTORY

The factory is now under construction in Ypsonas with built up area of around 20,000m². It is expected to be completed by October 2023. On the other hand, installation of the equipment is expected to start in the first quarter of 2024, noting that we already received some of the equipment which are stored on site.

This new plant will have the same capacity as the one in Lebanon, which will allow us to double our production.

EXPERTISE

Technicians and Specialists from Germany and France will be supervising the installation of the equipment. Moreover, technicians from Lebanon will be in charge of installing, testing, commissioning and training of fresh graduates and other employees until full operation of the factory.

Technicians in Kassatly Chtaura have the experience in installing and running 3 identical production lines already installed in Lebanon, similar to the one that will be installed in our factory in Ypsonas.

OUR AIM

The factory will create around 100 job opportunities over a period of 5 years for Cypriot, European and third party countries, based on the ability to find the required talents on the Island.

100 JOB OPPORTUNITIES

One of our important objectives is corporate social responsibility, that includes creating jobs for local and young generations that we will appoint and train, to lead the island towards expanding the investment vision, especially in manufacturing industry.

We believe that the island will be the second home for Kassatly Group, and we will be committed to local job employment.
